

# What is Sound Design?

## Careers in the Theatre

Created by The Old Globe Arts Engagement Department for School in the Park

## Connection

Watch this video to see how artists create sound effects for stage and film.

{[The Magic of Making Sound](#) on Youtube}

## Discovery

Follow this slideshow to learn about the process of **Sound Design** and then Try It Out at home!

{[What is Sound Design?](#) in Slideshow}

Using the instructions in the Slideshow, design your own sound for A Midsummer Night's Dream. Try creating a **SOUND EFFECT**, finding **UNDERSCORE** music, and creating **TRANSITION** music.

Then rehearse (practice) your monologue with your sound design!

## Reflection

After you've rehearsed your monologue, write down what you experienced in your journal!

**Prompt:** I chose the song \_\_\_\_\_ because it represents \_\_\_\_\_ In A Midsummer Night's Dream.

Performing with that song in mind made me discover \_\_\_\_\_ about my character.

Share with someone in your house or with the class!
